BY LOVE SERVE

## ANNUAL GIVING 2011

# THE STAGE IS SET... PLEASE HELP US TO: BRING ON THE PLAYERS

The students and staff of St Cuthbert's College are waiting with anticipation for the opening of the new Performing Arts Centre.

The building is nearing completion and now we must equip it for the budding thespians, musicians and performing artists of the future.

Music stands, storage for instruments, sheet music, costumes, recording equipment, choir risers, curtains, lighting and performance seating are all needed before we can 'bring on the players'.

Every girl from Y1 to Y13 will benefit from this wonderful new teaching facility. Please help us with the equipment the girls will need or with support for a scholarship to give a young woman the chance of a St Cuthbert's education.

Your donation will benefit all the girls at St Cuthbert's as they will all use this wonderful new teaching facility. At whatever level you are able to give to the 2011 Annual Giving Appeal, your support will be truly appreciated.

Kind regards,

Lynda Reid
