

St Cuthbert's College

BY LOVE SERVE

Chamber Music 2012

St Cuthbert's College has maintained a vibrant Chamber Music programme for several decades. Students in Y9 and above who are playing at an advanced level are invited to participate in the tutored programme which prepares ensembles to compete in the NZCT Secondary School Chamber Music Contest in June 2012. Recipients of Music Scholarships and Awards are required to participate in at least one College-based Chamber Music ensemble, however, students may also create a group with friends from outside the College if they wish (maximum total of two groups).

Please complete the form below and the contract sheet for student/parents and return to the Music Department by Friday 4 November if you would like to be involved in tutored Chamber Music in the College in 2012.

The Associate Director of Music should be kept informed of any outside groups you are creating.
