

Valuing individual differences

Striving for Excellence

- Support each girl to strive for her personal best
- Sustain commitment to academic excellence and intellectual rigour
- Affirm hard work and recognise success
- Foster independent, reflective thinkers
- Develop highly professional and committed staff

Christian in the Presbyterian tradition

Pursuing Innovation, Valuing Tradition

- Honour tradition whilst building on the school's rich cultural heritage
- Foster a culture of continuous improvement, formed by research and best practice
- Be international leaders in education-based digital and emerging technologies
- Ensure the school is continuously benchmarked internationally
- Provide girls with the digital, entrepreneurial, creative and analytical skills needed to future-proof her chosen path

Developing all Dimensions

- Encourage girls to realise their individual potential
- Foster participation and attainment of personal excellence in every facet of school life
- Place an emphasis on the ability to both collaborate and lead
- Create effective and thoughtful communicators
- Develop resilience by focusing on the spiritual, physical, and emotional health of each girl

Creating a Nurturing and supportive environment

Building a Connected Community

- Create a sense of belonging and involvement in the St Cuthbert's family
- Foster mutual respect and courtesy to service to others
- Encourage committed and active alumnae and parents
- Promote domestic and global community links to ensure girls understand their individual and collective role in the world
- Respect for oneself, each other, and the environment

Shared values through social and personal responsibility
